**Aqua Blast:** This total body water workout helps build cardiovascular endurance while pushing a broader range of muscular strength and motion in your upper body, lower body, and core. Kick your aqua fitness up a notch with Aqua Blast.

**Splash & Tone:** Have fun and tone your entire body with this low-intensity cardio class. We combine water aerobics and strength training with bells, noodles, and balance work to strengthen muscles and shed calories. Enjoy toning your body to fun music, and get inspired by our high-energy instructors.

**Water Arthritis:** This class is designed so that you can move your body without adding excess strain on your joints and muscles. It is hosted in warm water and you do exercises approved by the arthritis foundation. Don't worry about swimming, this class takes place in shallow water allowing you to focus on activities like daily moving, moving a joint through its range of motions, and holding it in a gentle stretch. You will also be guided through walking, gentle stretching, flexing, and extension exercises as well.

**Swim Lessons/Lap Swim:** 1-2 Lanes of the pool will be used for swim lessons. 1 Lane will be open for lap swim. Lap swim lanes will be clearly marked.

**Swim Lessons:** The pool will be used for just swim lesson programming at this time. For more information on swim lessons, please see front desk.
